

# The Wandering Star

Soothsayer's lured to her star  
Server of heaven's silent wanderers  
Oh holy night, summon up the ghost  
The hard of hearing always listen closest  
The hard of hearing always listen closest

Lo lo lo lo lo, lo lo and behold  
It has been foretold lo lo lo lo long ago  
Lo lo lo lo lo, lo lo and behold  
I guess you never know what you never know

Saturn, Jupiter confer, breaker of the wall in the morning  
Aries, Pisces, either one  
You will never know firsthand what day you're born on

Lo lo lo lo lo, lo lo and behold  
It has been foretold lo lo lo lo long ago  
Lo lo lo lo lo, lo lo and behold  
I guess you never know what you never know

被诱至她的星辰的预言家  
天堂的寂静漫游者的仆人  
哦，神圣的夜晚，召唤幽灵  
听力不佳的人总是最专注地倾听  
听力不佳的人总是最专注地倾听

啦啦啦啦啦，啦啦看哪  
这早已被预言啦啦啦啦很久以前  
啦啦啦啦啦，啦啦看哪  
我猜你永远不会知道你从未知道的事情

土星，木星交谈，清晨的墙壁破碎者  
白羊座，双鱼座，任何一个  
你永远不会亲自知道你是哪一天出生的

啦啦啦啦啦，啦啦看哪  
这早已被预言啦啦啦啦很久以前

我猜你永远不会知道你从未知道的事情
