

# The Wandering Star

Through the days of passing years  
I walk alone with all my thoughts  
Softly suffocating as the  
Numbers climb  
I imagine better days  
Taking solace in the hope of gently  
Conquering the vastness of the  
Oceans where I float  
Among the endless waters crashing  
Suddenly appears a boat  
To my surprise a cry for help  
Emerges from my throat  
And I say  
Hey

I hope your boat is not destroying  
All our friends who love to swim below  
And they say  
Hey

It's just a simple rowboat made for  
All who simply need a place to go  
So I say  
Hey

I wish you would take me to  
A destination far away from home  
And they say  
Hey

Hop aboard and join us in a  
Journey to wherever we may go  
The vessel found a distant shore  
Forgotten and remote  
We mapped the maze of hidden trails and  
Mountains capped with snow

随着年岁的流逝  
我独自走着，沉浸在我的思绪中  
当数字逐渐增加时  
我感到窒息  
我想象更好的日子  
在希望中找到安慰，温柔地  
征服我漂浮的  
广阔的海洋  
在无尽的水中  
突然出现了一艘船  
出乎我的意料，我呼救  
从我的喉咙中发出  
我说  
嘿

我希望你的船不会伤害  
所有喜欢在水下游泳的朋友  
他们说  
嘿

这只是一个简单的划艇  
为那些需要去的地方而制  
所以我说  
嘿

我希望你能带我去  
远离家乡的地方  
他们说  
嘿

跳上来，和我们一起  
去我们可能去的任何地方  
这艘船找到了一个遥远的海岸  
被遗忘和偏远  
我们绘制了隐藏的小径和  
雪顶的山脉

The sick are never hungry now  
The air is filled with sound  
When heavy weather comes we run to  
Tunnels underground  
I found a place among the souls who  
Offered me a rope  
Thankful for the day my journey  
Came across the boat  
So if you're feeling cast away and drifting  
Off to parts unknown  
Keep scanning the horizon for a  
Vessel will be shown  
And you'll say  
Hey

I hope your boat is not destroying  
All our friends who love to swim below  
And they say  
Hey

It's just a simple rowboat made for  
All who simply need a place to go  
So you say  
Hey

I wish you would take me to  
A destination far away from home  
And they say  
Hey

Hop aboard and join us in a  
Journey to wherever we may go

生病的人现在再也不饿了  
空气充满了声音  
当暴风雨来临时，我们跑到  
地下的隧道  
我在那些提供绳子的灵魂中找到了一  
个地方  
感谢我在旅途中遇到了那艘船  
所以，如果你感到被遗弃，漂流  
到未知的地方  
不断地寻找地平线上的  
会出现的船只  
你会说  
嘿

我希望你的船不会伤害  
所有喜欢在水下游泳的朋友  
他们说  
嘿

这只是一个简单的划艇  
为那些需要去的地方而制  
所以你说  
嘿

我希望你能带我去  
远离家乡的地方  
他们说  
嘿
